

# Dragonboat teams make a splash

Hamilton Mountain News

Jul 04, 2008

On Saturday, July 5, Bayfront Park will be alive with excitement as the Bay Area Restoration Council and Lively Dragon team up for the fifth annual Lively Dragon Waterfest.

The day-long fundraising event will feature over 40 dragonboat teams competing in a series of race events on the bay to raise awareness and funds in support of harbour restoration

The Lively Dragon Waterfest is a family event complete with live entertainment, food vendors and a beer tent.

"One of the exciting aspects of this event is the large crowd it draws to Bayfront Park," said Jim Hudson, Executive Director, Bay Area Restoration Council. "What a great way for local residents and tourists from afar to experience the progress that has been made to restore our harbour."

Everyone is welcome to attend this free public event. For information, visit [www.hamiltonharbour.ca](http://www.hamiltonharbour.ca).
