

Dragonboats roar at Bayfront Park

Hamilton Mountain News

Jul 11, 2008

Over 40 dragonboat teams competed in races at the fifth annual Lively Dragon Waterfest at Bayfront Park on July 5. The fundraising event benefits the Bay Area Restoration Council. "One of the exciting aspects of this event is the large crowd it draws to Bayfront Park," said Jim Hudson, Executive Director, Bay Area Restoration Council. "What a great way for local residents and tourists from afar to experience the progress that has been made to restore our harbour."
