

PADDLE POWER

Burlington Post
July 09, 2008

PADDLE POWER Hamilton's Bayfront Park was the site of last Saturday's fifth annual Lively Dragon Waterfest dragon boat racing competition and fundraiser. Nearly 50 boats of 20-25 paddlers each were signed up to participate. Right, the Blind Ambition team, which included Burlington residents, is well underway in its heat. Pledges collected by paddlers go directly to support the work of the Bay Area Restoration Council (BARC).
