### **Hamilton Harbour WINS! Sets Theme for Bay Area Restoration Council's Annual General Meeting**

**Thursday, June 8, 2006  
7:00 – 9:00 pm**

**HAMILTON** – The Bay Area Restoration Council (BARC) reviews a year of WINS for Hamilton Harbour and its watersheds during their Annual General Meeting (AGM) on **Thursday, June 8, 2006, from 7:00 to 9:00 pm.**

The AGM, which takes place at the **Canada Marine Discovery Centre, 57 Guise Street East**, will showcase successes of the past year including BARC's expanding public outreach, communications and program activities.

The event will also include the release of ***Toward Safe Harbours: Progress Toward Delisting – Toxic Substances and Sediment Remediation*** and will provide an opportunity for supporting members to take part in the elections process for the Board of Directors. BARC will also show their appreciation for the many improvements to harbour side amenities made by the **Hamilton Waterfront Trust** by presenting the organization with their annual **Implementation Award**.

BARC's AGM will conclude with **Hamilton Harbour WINS!, a presentation by Jim Harnum**, Senior Director of the Water and Wastewater Division of the City of Hamilton's Public Works Department.

The Bay Area Restoration Council is at the centre of community efforts to restore and protect the ecosystem health of Hamilton Harbour and its watershed. A non-profit group BARC functions as a watchdog organization, assessing and promoting the clean up projects for the bay.
