Quest for Harbour Knowledge!

HAMILTON – Modern explorers will converge on the West Harbour as the Bay Area Restoration Council presents its 2nd annual fun day, **Harbour Quest**. Come out and test your knowledge of West Harbour locations with our Harbour Quest Quiz. Meet BARC aboard the Harbour's newest addition, the Hamilton Harbour Queen and collect your game card to begin your quest. An interpreter from the Canada Marine Discovery Centre will also be on hand with a collection of harbour treasures.

The first 100 participants will receive a coupon for a tasty treat, compliments of Hutch's restaurant on Bay St N. Also, complete your quest and be entered in a draw to win a prize.

This fun, free community event is presented by the Bay Area Restoration Council and the Hamilton Waterfront Trust.

Everyone is welcome to attend!
