

LIST OF FIGURES

Preface

Figure 1 Hamilton Harbour Watershed Municipal Boundaries vi

Introduction

Figure 2 Comparison of 1992 and 2002 Stage 2 Chapter Titles 3

Description of Area

Figure 3 Hamilton Harbour Watershed Map 5

Figure 4 Labour Force Employment by Industrial Sector 14

Goals and Objectives

Figure 5 Remedial Action Plans as Characterized in the Great Lakes Water Quality Agreement of 1978, and amended by protocol of 1987 (Annex 2)..... 22

Figure 6 Hamilton Harbour Delisting Objectives 23

Updated RAP Recommendations and Progress on Implementation Actions

Figure 7 Recommendations Approved for Hamilton Harbour RAP Stage 2 Update 32

Water Quality and Bacterial Contamination Component

Figure 8 OECD Study of Eutrophication compared to Hamilton Harbour Goals 36

Figure 9 Status of the Combined Sewer Overflow Program in the City of Hamilton 41

Figure 10 Skyway WWTP Effluent Total Phosphorus Concentrations and Loadings 43

Figure 11 Skyway WWTP Effluent Ammonia Concentrations and Loadings 44

Figure 12 Skyway WWTP Effluent Suspended Solids Concentrations and Loadings 45

Figure 13 Woodward WWTP Effluent Total Phosphorus Concentrations and Loadings 46

Figure 14 Woodward WWTP Effluent Ammonia Concentrations and Loadings 47

Figure 15 Woodward WWTP Effluent Suspended Solids Concentrations and Loadings 48

Figure 16 King St (Dundas) WWTP Effluent Total Phosphorus Concentrations and Loadings 49

Figure 17 King St (Dundas) Effluent Ammonia Concentrations and Loadings 50

Figure 18 King St (Dundas) WWTP Effluent Suspended Solids Concentrations and Loadings 51

Figure 19 Main St (Waterdown) WWTP Effluent Total Phosphorus Concentrations and Loadings 52

Figure 20 Main St (Waterdown) WWTP Effluent Ammonia Concentrations and Loadings 53

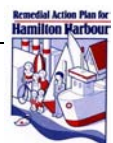

Figure 21	Main St (Waterdown) WWTP Effluent Suspended Solids Concentrations and Loadings	54
Figure 22	Net Loading of Phosphorus from Dofasco and Stelco to Hamilton Harbour	55
Figure 23	Net Loading of Ammonia from Dofasco and Stelco to Hamilton Harbour	56
Figure 24	Net Loading of Suspended Solids from Dofasco and Stelco to Hamilton Harbour ..	57
Figure 25	Total Phosphorus (unfiltered) Concentration at Centre Station, Hamilton Harbour	60
Figure 26	Secchi Depth at Centre Station, Hamilton Harbour	60
Figure 27	Ammonia Concentration at Centre Station, Hamilton Harbour	61
Figure 28	Chlorophyll a Concentration at Centre Station, Hamilton Harbour	61
Figure 29	Average Water Clarity in Cootes Paradise	62
Figure 30	Average Total Ammonia in Cootes Paradise	62
Figure 31	Average Dissolved Oxygen in Cootes Paradise	63

Toxic Substances and Sediment Remediation Component

Figure 32	Net Loading of Cyanide from Dofasco and Stelco to Hamilton Harbour	88
Figure 33	Net Loading of Lead from Dofasco and Stelco to Hamilton Harbour	89
Figure 34	Net Loading of Zinc from Dofasco and Stelco to Hamilton Harbour	90
Figure 35	Net Loading of Phenolics from Dofasco and Stelco to Hamilton Harbour	91
Figure 36	Net Loading of Benzo[a]pyrene from Dofasco and Stelco to Hamilton Harbour	92
Figure 37	Net Loading of Naphthalene from Dofasco and Stelco to Hamilton Harbour	93
Figure 38	Net Loading of Iron from Dofasco and Stelco to Hamilton Harbour	94

Fish and Wildlife Component

Figure 39	Proposed Fish & Wildlife Habitat Restoration Project Enhancement Targets	103
Figure 40	Locations of the FWHRP Project Sites	106
Figure 41	Ring-billed Gull and Double-Crested Cormorant Nesting Numbers Within Hamilton Harbour	110
Figure 42	Non-Migratory Canada Goose Control Program at RBG (1993-2001).....	111
Figure 43	Mute Swan Control Program at RBG (1999-2001).....	111
Figure 44	Liver Tumours in White Suckers in Lake Ontario, 1984-1996	114
Figure 45	Large Carp Density in Cootes Paradise.....	117
Figure 46	Water Cycle in the Cootes Paradise Marsh	118
Figure 47	Stem Density of Submergent Plants in the Cootes Paradise Marsh	119
Figure 48	Littoral Fish Community Targets for Hamilton Harbour	121
Figure 49	Metrics used to calculate the Index of Biotic Integrity and the direction of IBI response as the metric increases	122

Public Access and Aesthetics Component

Figure 50 Targets for Trail Additions Proposed under FWHRP125
Figure 51 Targets for Trail Additions Proposed in 2002126

Education and Public Information Component

Figure 52 Distribution of Landowner Rehabilitation Projects.....140

Research and Monitoring Component

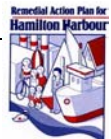

Figure 53 Caspian tern Nests Within Hamilton Harbour.....143
Figure 54 Common tern Nests Within Hamilton Harbour144
Figure 55 Herring gull Nests Within Hamilton Harbour144
Figure 56 Black-crowned night heron Nests Within Hamilton Harbour145
Figure 57 Double-crested cormorant Nests Within Hamilton Harbour145
Figure 58 Ring-billed gull Nests Within Hamilton Harbour146
Figure 59 Calling Amphibians in Cootes Paradise Marsh146
Figure 60 Fall Migratory Waterbirds – 2001147
Figure 61 Breeding Marsh Birds in Cootes Paradise147
Figure 62 PCB Levels in Herring Gull Eggs from Hamilton Harbour (1981-2001)150
Figure 63 PCB Levels in Herring Gull Eggs from Hamilton Harbour Compared to Lake
-wide Averages, 2001151
Figure 64 Dioxin Levels in Herring Gull Eggs from Hamilton Harbour Compared to Lake
-wide Averages, 2001151
Figure 65 Dioxin Levels in Herring Gull Eggs from Hamilton Harbour (1984-2001)152
Figure 66 Swimming Days and Percent Beach Openings at Bayfront Park154
Figure 67 Swimming Days and Percent Beach Openings at Pier 4 Park154
Figure 68 Average Sample Levels of E. Coli Around Hamilton Harbour Beaches in 2001 ..155

Attainability of Reaching Delisting Objectives

Figure 69 Updated Delisting Objectives.....162
Figure 70 Monitoring Program for Hamilton Harbour Delisting Objectives169

Public Consultation

Figure 71 Public Open Houses193
Figure 72 Municipal Council and Conservation Authority Presentations196

Research and Monitoring Plan

Figure 73	Federal Government Monitoring Plan.....	202
Figure 74	Provincial Government Monitoring Plan	204
